

# MOSAIC TILED SPAS

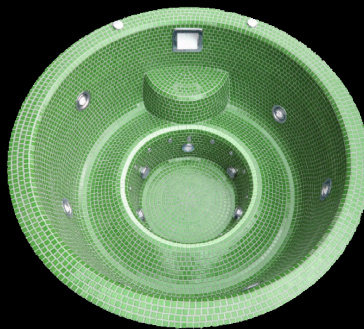

Spas offer fantastic health benefits and an ideal place to unwind. Rigo Spa offer a wide range of mosaic tiled spas for both the domestic and commercial market providing a full design, manufacture, installation and maintenance service. We have a large range of both freeboard and deck level spas which can be offered as a 'one-piece' finished tiled and plumbed spa or for difficult access projects, in sections to ease installations.

## Product features: -

- Fully mosaic tiled in preferred small mosaic finish or similar approved product,
- Self supporting steel structure,
- Full spray foam insulation,
- Fittings installation to suit including recessed stainless steel jet system,
- LED colour changing lighting and
- Choice of air or low voltage electronic controls.
- Various optional extras are available with these products such as water features, balance tanks and lighting effects.

## Freeboard Spa range (fitted with skimmer)

1.8m curved corner, 2m round, 2m octagon, 2.1m x 1.8m and 2.2m x 2.2m square (both with or without  
lounger), 2m x 2.4m oval, 2m x 3m oval, 2.4m round, 2m x 3m octagonal, 2.5m x 3m oval and 2.5m x 3.5m oval.
